Delta Dental will receive the orthodontic lifetime maximum history from your previous carrier. Your orthodontic maximum benefit available under your new Plan will be reduced by the benefit amount used under your previous Plan. | | |

1) Schedule of higher fees applies. Delta Dental Premier Providers are subject to a schedule of higher Maximum Approved Fees than Delta Dental PPO Providers. You may have higher out-of-pocket costs when you visit a Delta Dental Premier Provider than if you visited a Delta Dental PPO Provider. This may be true even if the Coinsurance percentages are the same for these two types of Providers. You may have the lowest out-of-pocket costs when you select a Delta Dental PPO Provider. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.

2) Balance billing applies. *Non-Participating Providers may bill you above the Non-Participating Maximum Approved Fees they receive from Delta Dental. You will have the highest out-of-pocket costs when you visit a Non-Participating Provider. This will be true even if the Coinsurance percentages in this column match the percentages for other types of Providers. In addition, Non-Participating Providers have not agreed to Delta Dental's in-network protections for Enrollees. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.*
